

Dear Recreation Director,

Cory Morgenstern has been a fixture at the White Plains Center for Nursing Care for over 15 years. He is a wonderful entertainer and engages our residents with every show! We have had Cory here for birthday and holiday parties as well as musical dementia programs and room to room strolling. The residents always look forward to Cory's visits and can't wait for his return once he leaves. His musical talent, song selection, upbeat attitude and dependability make him the perfect candidate for any Activity personnel looking to hire entertainment for their residents at a fair price! I have personally known Cory for 13 years and he has always provided us with a wonderful experience.

Sincerely,
